Absolut
WEALTH MANAGEMENT

Letter of recommendation

To whom it may concern,

Please accept this letter as my highest recommendation for JD & Associates Project Management.

I have had the opportunity to be involved in several projects over a period of two years. Value of these projects range from R795 000.00 to R30 000.00

They have developed our offices, starting with an empty building with no infrastructure.

Each project was completed within the agreed time frame and to our satisfaction and standards, showing incredible professionalism and ethical caliber. It has been an absolute pleasure working with them. All problems were addressed immediately and attention to detail was immaculate.

The whole team has gone out of their way to ensure that the work was done to our satisfaction. This is a team worth having. Clients visiting the premises always comment on the neatness and standard of construction.

Absolut Wealth Management will continue to make use of their services in future.

Sincerely

Anri Prinsloo
